

 <p><i>Picolino</i> 2012 Priorat</p> <p><b>Varietals:</b> Carignan (Mazuela) and Grenache , which are the most important native varietals.</p> <p><b>Barrel Aging:</b> Both varietals are aged in second year French oak barrels for a minimum of 6 months.</p> <p>"Raspberry, plum and minerally aromas lead to a tight, structured palate with flavors of berry fruits and chocolate. This is a standard but entirely solid Priorat with an aggressive and slightly hot finish that contains cherry and plum flavors. Drink through 2019" <i>Debora Stein, Reviewer</i></p>  <p>www.luneauusa.com</p>	 <p><i>Picolino</i> 2012 Priorat</p> <p><b>Varietals:</b> Carignan (Mazuela) and Grenache , which are the most important native varietals.</p> <p><b>Barrel Aging:</b> Both varietals are aged in second year French oak barrels for a minimum of 6 months.</p> <p>"Raspberry, plum and minerally aromas lead to a tight, structured palate with flavors of berry fruits and chocolate.
